Retail and Supplier Education Registration Policies and Procedures: Individuals interested in registering for these programs should call (479) 936-5175 to make sure they have met the appropriate prerequisites and have submitted the required documents prior to registration.

Apprenticeship Program Registration Policies and Procedures: All apprentices must have employment sponsorship with a licensed Arkansas Master of the trade to register into Apprenticeship Programs. All apprentices must register for and pay associated fees for the program each year at NWACC Corporate Learning (Shewmaker Center) in Bentonville prior to attending classes. Past due balances will need to be reconciled with the cashier before registration into the program can be processed. In the event an employer is paying for a student’s tuition and that student’s employment with the employer ends, it is the student’s responsibility to immediately notify the Program Director concerning their current status and plans. In this situation, if the student is planning on staying in the program, they need to call an NWACC cashier to make payment arrangements. If the student has found employment elsewhere and their new employer will be paying for them they need to notify the Program Director of the change and give them all new employee information. **It is the responsibility of the apprentice to notify the Program Director of potential previous experience credit or programs attended at the time of registration.**

Apprenticeship Program Payment Policies and Procedures: The cost for the Apprenticeship Program is $650.00 per year for Electrical or $600.00 per year for Plumbing. A fee of $35.00 for electrical apprentice, $50.00 for plumbing apprentice license and application fees along with tuition is due at the time of registration. The Nelnet Payment plan is available, allowing for a down payment and then subsequent monthly payments taken out on the 5th of each month. Keep in mind that early registration allows for smaller monthly payments. The processing fee for the Nelnet Payment Plan is $25.00 and is deducted 14 days after the contract is set-up. Contact an NWACC cashier for details at (479) 619-4326, (479) 619-4291, or (479) 619-4318. Apprentices will be charged on a prorated basis.

**Nelnet Student Payment Plan**

June 2014
The Nelnet Student Payment Plan gives students a convenient, interest-free way to budget tuition and fees. The Nelnet Payment Plan can be accessed through MyNWACC Connection or by calling an NWACC cashier. Nelnet is available for individuals registering in any class or combination of classes totaling $250.00 or more. After a payment arrangement has been made, students will receive confirmation of their enrollment in the Nelnet Payment Plan by letter, email, or they will be given a computer printout if enrolling in person. Payment may be made by a credit/debit card or they can be set up as a monthly automatic bank draft. The earlier a student sets up a payment plan the more payment options they will have available to them (lower monthly payments). However, full payment must be made before the mid-point of the course. Nelnet is not a loan program. There is no debt, no credit check, and no interest or finance charge assessed by Nelnet on the unpaid balance. There is a $25.00, non-refundable, enrollment fee that will be assessed within 14 days of contract agreement.

**Third Party Payment**
If a third party (employer or a government agency) will be paying tuition and fees on behalf of a student directly to NWACC, a letter of authorization or purchase order to bill the employer or agency must be received in the cashier’s office at the time of registration. If there is a remaining balance after third party payment, the student is required to make payment by one of the methods already mentioned for the unpaid portion of tuition and fees. The cashier’s office must have a letter of authorization to bill the employer or agency for each registration. This letter should be on company letterhead and include: student name, third party name and address, company contact name, list of covered expenses (tuition, fees, books, supplies, etc.), and maximum dollar amount. A completed registration form should be attached. **Note:** An individual may NOT be invoiced as a third party. For questions regarding third party billing, please call the Corporate Learning cashier’s office at (479) 619-4326.

**Payment by Scholarship**
Individuals receiving an EXTERNAL scholarship must have an award letter on file at the cashier’s office. The scholarship award letter should contain the same information as required by a third party billing. (*Refer to Third Party Payment section).  

**Returned Checks**
If a check made payable to NWACC is returned by the student’s bank for any reason, the student’s records will be placed on “HOLD” and the student will be charged a return check fee of $30.00 per each check.

**Cancelled Classes**
Individuals who are enrolled in classes that have been cancelled will receive a 100% refund of tuition and fees for the cancelled classes, minus the Nelnet Payment fees, if applicable (Refer to Nelnet Student Payment Plan section and Online Registration section). Although every attempt will be made to contact you in the event a class is cancelled, it is your responsibility to check on the status of your class prior to attending.
