Clery Act Annual Security Report of 2017

The NorthWest Arkansas Community College (“NWACC”) Annual Security Report of 2017 is provided to current students, prospective students, staff, and faculty as part of the College’s commitment to the safety and well-being of the NWACC community. The Annual Security Report is published every year by October 1st and contains three years of selected campus and non-campus crime statistics, and certain campus security policy statements in accordance with the Clery Act.

Enacted in 1990, The Crime Awareness and Campus Security Act was designed to assist students in making decisions which affect their personal safety and to ensure institutions of higher education provide students, prospective students, staff, and faculty the information they need to avoid becoming victims of campus crime. The Higher Education Act of 1998 and the subsequent amendments of the implementing regulations significantly expanded institutions’ obligations under the Act. The Act was also renamed the “Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act” (hereafter the “Clery Act”).

The NorthWest Arkansas Community College (“NWACC”) Departments of Public Safety (“DPS”), and Office of Institutional Policy, Risk Management and Compliance are committed to providing a risk averse, sustainable, and resilient environment that enhances the learning experience and supports the College’s educational mission.

The NWACC DPS understands the unique challenges associated with a college setting, and as such is tasked with providing services that meet both law enforcement and private security standards. DPS officers play various roles on campus including peace officer, security guard, policy enforcer, and public relations officer. DPS provides services at 5 locations and consists of 22 authorized positions that include 15 state certified police officers and 11 security officers. Officers are constantly patrolling NWACC properties and staffing fixed posts at some facilities. These officers answer calls for service, respond to alarms and enforce state criminal and traffic laws. DPS also has police officers responsible for specialized assignments including criminal investigations, training, and bicycle patrol.

Development, Disclosure, and Implementation of Security Policies

The Department of Public Safety and the Office for Institutional Policy, Risk Management, and Compliance are the offices designated to ensure that NWACC’s security policies are actively implemented as prescribed. The Clery Compliance Coordinator and DPS prepare this report in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The Emergency Management Coordinator works in conjunction with the Director of Public Safety and the Clery Compliance Coordinator in an on-going basis to make certain that administration, faculty, staff, students, and guests are aware of NWACC’s security policies.

Campus Security Authorities

Campus Security Authorities (CSAs), as defined by the Clery Act, have an obligation to report allegations of Clery Act-defined crimes that they conclude are made in good faith. These crime allegations should be
reported to DPS or to the local police. The Clery Act definition of a campus security authority includes NWACC personnel in addition to DPS officers, including any official of NWACC who has significant responsibility for student and campus activities, including but not limited to, student discipline, student activities, campus conduct proceedings, advisors to student organizations and intramurals, event security, administrators who oversee branch or separate campuses, and those who monitor access to an NWACC facility. The Ethics and Compliance Officer is responsible for overseeing CSAs, ensuring their compliance with annual training, and sending semi-annual updates to CSA’s reminding them of their responsibilities. The Department of Public Safety is responsible for the collection of their crime reports and for inclusion in the Annual Security Report. If CSA’s report any crime to the Director of Student Support (DSS) or the Dean of Students (DOS), both of those parties are responsible for forwarding this information to the Director of Public Safety. The intent of including non-law enforcement personnel as campus security authorities is to acknowledge that many individuals may be hesitant about reporting crimes to the police, but may be more inclined to report incidents to other campus-affiliated individuals. For information about NWACC’s policy on limited, confidential reporting, please see the Disclosure of Policy Statements, section a) Reporting crimes on a limited voluntary, confidential basis.

**Immediate Notification**

The procedure regarding immediate notification at NWACC is designed to get relevant information to College students, employees and visitors at any affected NWACC location as soon as possible when an emergency incident occurs that involves a threat to health and safety. The NWACC administration will immediately notify the campus community upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health and safety of students or staff occurring on campus.

The Director of Public Safety or a designee will confirm if there is a significant emergency or dangerous situation and determine necessary notifications. The IPCelerate, NWACCs Smart Phone LiveSafe App, and Alert:Me/Benton County Alert text messaging systems have prewritten messages that can be modified as necessary and sent to the NWACC community by Public Safety personnel, Exec. Director of Institutional Policy, Risk Mgmt. and Compliance or Public Relations personnel (these individuals will determine the appropriate segment or segments of the campus community to receive the messages if the threat is limited to a particular building or segment of the population). Immediate notifications are distributed in various ways depending on the nature of the situation and the information to be disclosed. NWACC will use some or all of the following methods of communication: e-mails; Benton County Alert text messaging System; IPCelerate system; NWACCs LiveSafe Smart Phone App; NWACC In-Case-of-Crisis Emergency Guide APP; Social Media and face to face communication by professors and other leaders of the institution, as deemed appropriate. Parents or other interested members of the larger community may sign up for the ALERT:Me/Benton County Alerts text messaging system and LiveSafe App by visiting the NWACC website. These individuals can also obtain information in the event of an emergency on campus via the local news media and/or the NWACC website. https://www.nwacc.edu/web/administrativeservices/emergencyprocedures

Anyone with information warranting an immediate notification should report the circumstances to the Department of Public Safety at 479-619-4229. Follow-up information will be available on the NWACC website or any of the communication systems listed above may be used to provide follow-up information to the campus community. NWACC officials will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.
Emergency Response Procedures

An emergency response and recovery program has been developed to ensure response to and recovery from emergencies of all types and magnitudes and the continuation of College operations following an emergency. The plan is carried out by the Emergency Response Team and the Disaster Recovery/Business Continuity Response Team. The Department of Institutional Policy, Risk Mgmt. & Compliance and Department of Public Safety will be responsible for establishing plan priorities, writing and distributing the plan and training personnel in the plan.

NWACC’s first priority when an emergency occurs is employee, student and guest safety and emergency response, and their second priority is disaster recovery and business continuity. This plan encourages the development of high levels of resilience where required and the wise use of resources to assure that when an emergency occurs, NWACC’s normal functions continue and, in the case of a major emergency, its mission essential functions are restored as soon as possible followed by the restoration of all College functions.

The College publishes at Quick Reference Emergency Procedures Guide that is distributed to all employees and copies are also available in the DPS Office and online at http://www.nwacc.edu/web/administrativeservices/emergencyprocedures. Additionally, Emergency Procedures are located throughout all NWACC facilities. The leaders of the institution have access to a Crisis Management Plan that includes operational guidelines and leadership command structure for the institution in the event of a campus emergency. Training exercises are held at least once a year under the direction of DPS and the Department of Institutional Policy, Risk Mgmt. & Compliance. These exercises will consist of training, tabletop exercises, full-scale exercises, drills, and/or tests of the ALERT:me Benton County Alerts text messaging system, IPCelerate, NWACCs LiveSafe Smart Phone App, and the Wireless Emergency Notifications Systems. The Disaster Recovery/Business Continuity Response Team members will participate along with appropriate first responder representatives. If required, all College emergency personnel and occupants of the affected building(s) are to participate fully in these exercises and drills, which may be announced or unannounced.

When a serious incident occurs that causes an immediate threat to the campus, the first responders to the scene are usually the DPS, along with local Police, Fire and EMS. These first responders typically work together to manage the incident. Depending on the nature of the incident, other NWACC departments and other local agencies could also be involved in responding to the incident.

Emergency Evacuation Procedures

Students, faculty, staff, and guests are expected to evacuate campus buildings if they hear a fire alarm, if they are notified by first responders, or if the campus administration determines that an evacuation is necessary. All persons will receive information about evacuation and shelter-in-place procedures via one or more of the following: e-mail, ALERT:me/Benton County Alerts text messaging system, IPCelerate, NWACCs LiveSafe Smart Phone APP, Social Media and/or verbally by Administration or DPS personnel in person or by phone. Information surrounding these procedures is also published in the Quick Reference guide.

Shelter-in-Place Procedures – What it means to “Shelter-in-Place”

If an incident occurs and the buildings or areas around you become unstable, or if the air outdoors becomes dangerous due to toxic or irritating substances, it is usually safer to seek shelter indoors. Thus, to “shelter-in-place” means to utilize the building that you are in as shelter from danger that is outside of the building.
or in other areas of the building. With a few adjustments, these locations can be made even safer and more comfortable until it is safe to go outside.

**Basic “Shelter-in-Place” Guidance**

If an incident occurs and the building you are in is not damaged, stay inside in an interior room until you are told it is safe to come out. If your building is damaged, take your personal belongings (purse, wallet, NWACC ID Card, etc.) and follow the evacuation procedures for your building (close your door, proceed to the nearest exit, and use the stairs instead of the elevators). Once you have evacuated, proceed to the pre-designated evacuation point or to a safe location. If police or fire department personnel are on the scene, follow their directions.

**How You Will Know to “Shelter-in-Place”**

A shelter-in-place notification may come from several sources, including e-mails, ALERT:me Benton County Alert text messaging system, IPCelerate, and the NWACC Life Safe phone app, as well as Social Media..

**How to “Shelter-in-Place”**

No matter where you are, the basic steps of “shelter-in-place” will generally remain the same. Should the need ever arise; follow these steps, unless instructed otherwise by local emergency personnel:

1. If you are inside, stay where you are. Collect any emergency "shelter-in-place" supplies and a telephone to be used in case of emergency. If you are outdoors, proceed inside the closest building quickly or follow instructions from emergency personnel on the scene.
2. Locate a room to shelter inside. It should be:
   - an interior room
   - above ground level
   - without windows or with the least number of windows
   - if there is a large group of people inside a particular building, several rooms may be necessary
3. Shut and lock all windows and close exterior doors.
4. Turn off air conditioners, heaters, and fans.
5. Close vents to ventilation systems as you are able.
6. Make a list of the people with you and ask someone to call the list in to the College operator at (479) 936-9222. In the event that the operator station cannot be manned calls will be forwarded to an appropriate location.
7. Turn on a radio or TV and listen for further instructions.
8. Remain calm and make yourself comfortable.

**Lockdown**

A "Lockdown" is the temporary sheltering technique utilized to limit civilian exposure to an "Active Shooter" or similar incident. When alerted, occupants of any building within the subject area will lock all doors and windows not allowing entry or exit to anyone until the all clear have been sounded. Notice that a "Lockdown" has been issued will be broadcast over the IPCelerate system and by other appropriate means.

**How to Lockdown**
The basic steps for how to lockdown will be the same regardless of your location. Follow these steps, unless instructed otherwise by local emergency personnel:

- Try to remain calm.
- Remain indoors, e.g. your office or classroom. Once in "Lockdown" you would be allowed to move about to facilitate certain needs, e.g. bathroom, water; but you should not leave the building unless an all clear has been sounded.
- If not in your typical surroundings, proceed to a room that can be locked.
- Close, and lock all doors.
- Turn off all lights.
- Occupants should be seated below window level, toward the middle of a room away from windows and doors.
- Remain silent.
- Turn off all radios or other devices that emit sound.
- Silence cell phones.
- If gunshots are heard, lay on the floor using heavy objects, e.g. tables, filing cabinets for shelter.
- If safe to do so, turn off gas and electric appliances, e.g. heater, fan, coffee maker, gas valves, lights and locally controlled ventilation systems, e.g. air conditioner. Use phones only for emergency notification to emergency responders.
- Do not shelter in open areas such as hallways or corridors. Go to the nearest office, classroom, lecture hall or auditorium that can be locked.
- A message will be broadcast giving specific locations and directions for entering certain shelter sites.
- Do not unlock doors or attempt to leave until instructed to do so by emergency responders. The "All-clear" will be announced over the IPCelerate system or other appropriate system when it is considered safe.

The Daily Crime Log

NWACC Department of Public Safety (DPS) maintains a daily crime log that is available to the public from all campuses/centers via the main Public Safety office, in the Center for Health Professions, Room #1033C, One College Drive, Bentonville, AR. The daily crime log discloses all alleged criminal incidents reported to DPS, including non-Clergy Act crimes. The Clery Act requires that the daily crime log include specific categories of information which include; 1) the nature of the crime; 2) the date and time the crime occurred; 3) the general location of the crime; and 4) the disposition of the complaint, if known.

An institution may temporarily withhold information from the daily crime log in some cases. There must be clear and convincing evidence that the release of information may: 1) jeopardize an ongoing investigation; 2) jeopardize the safety of an individual; 3) cause a suspect to flee or evade detection; or 4) result in the destruction of evidence.

Statistics from Local Law Enforcement Agencies

The Department of Public Safety and/or the Clery Compliance Coordinator submits an annual request to the local law enforcement agencies requesting specified crime statistics reported to local police agencies that occurred on or immediately adjacent to the campuses and on College owned, controlled, or affiliated property to be reported for inclusion in the annual crime report. Documentation of the request is maintained by DPS and/or the Clery Compliance Coordinator regarding the College’s efforts to obtain the statistics and
documentation of any noncompliance on behalf of the police as well as the statistics from all the appropriate police agencies with jurisdiction for NWACC.

Data Report to Department of Education

Per request by annual letter, the United States Department of Education (DOE) sends a request to DPS to submit the crime statistics portion of the Annual Security Report via the Campus Safety and Security Survey web-based system. The Clery Compliance Coordinator is the Campus Safety Survey Administrator (CSSA). The CSSA or his/her designee enters and submits the College’s crime statistics through this survey. NWACC’s updated statistics are available to the general public at: http://ope.ed.gov/security or the DPS website: http://content.nwacc.edu/dps/Clery_Annual_Report.pdf

Procedures for Reporting Crimes and Other Emergencies

Students, faculty, staff, or guests of all campuses encountering violations of College regulations, crimes or
other emergencies are encouraged to report these incidents accurately and promptly to one of the following:

- NWACC’s Department of Public Safety (479) 619-4229 (ALL Campuses)
- Bentonville Police (479) 271-3170 (Main Campus and Brightwater)
- Rogers Police (479) 636-4141
- Springdale Police (479) 751-4542 (WCC & JCF)
- Farmington Police (479) 267-3411 (FC)

Community members, students, faculty, staff and guests should report all crimes and public safety related
incidents including when the victim of a crime elects to or is unable to make such a report to NWACC’s
DPS and/or local police departments in a timely manner. Emergency phones are located and accessible
throughout the campus. Crimes should be reported to the DPS for purposes of making timely warning
notices to the community and inclusion in the annual security report. It is the responsibility of DPS to
investigate and follow up on all reports of criminal activity on campus. In some cases DPS officers are
assisted in their investigations by other area law enforcement agencies. If assistance is required from other
police agencies and/or fire departments, DPS will contact the appropriate unit.

Responses to these reports will vary according to the situations. In an emergency, DPS will respond and
summon the appropriate resources to assist in the response to the incident. Reported violations of local,
state or federal law will be investigated by the Department of Public Safety. Information obtained by the
college may be used in selecting an appropriate course of action. Options for action include: 1) pursuing
the alleged violation through the criminal justice system, 2) pursuing the alleged violation through the
College Student Conduct System, 3) pursuing the alleged violation through both the criminal justice system
and the College Student Conduct System, or 4) taking no action. Reported violations of College regulations
will be investigated and, where appropriate, adjudicated by the appropriate student conduct
complaint/grievance procedures.

DPS incident reports involving students, faculty and staff are forwarded to the appropriate and responding
offices on campus for review and potential action. Incident reports are available in the DPS office. DPS
Officers will investigate a report when it is deemed appropriate and additional information obtained via the
investigation will also be forwarded to the appropriate and responding office(s).

Reporting Crimes and Confidentiality

The NWACC Department of Public Safety (DPS) encourages anyone who is the victim or witness to any
crime to promptly report the incident. Because all police reports are public records under state law, DPS
cannot guarantee that it will hold reports of crime in confidence.
Confidential reporting may be available to witnesses and/or victims of some crimes who do not want to pursue action within the College system or the criminal justice system. Such reports may be made to a by using the Ethics Point secure link on the Human Resources page at https://secure.ethicspoint.com/domain/media/en/gui/15781/index.html or the Advocate link on the Student Support Services page at https://www.nwacc.edu/web/conduct/index. NWACC has trained Confidential Advocates who may also serve for confidential reporting. Confidential Advocates will strive to keep information private, however, there are some circumstances in which they are not able to guarantee complete confidentiality. To read more about the Confidential Advocates, please see this link: http://www.nwacc.edu/web/conduct/confidentialadvocates.

The purpose of a confidential report is to comply with the witness’s or victim’s wish to keep the matter confidential, while taking steps to ensure their or other’s future safety. With such information, the College can keep an accurate record of the number of incidents involving students, employees and visitors; determine whether there is a pattern of crime with regard to a particular location, method, or assailant; and when necessary, alert the campus community to potential danger. It is the policy of the College to encourage the reporting of crimes even if the victim does not wish to file a complaint. However, with crimes that involve sexual harassment, including sexual violence, confidentiality cannot be guaranteed. If a crime is reported to a CSA and the victim chooses not to report it to the police, then the employee, student or visitor may complete a Crime Incident Report Form which excludes the victim’s name. This form is available at the Department of Public Safety Office or on the DPS website (http://content.nwacc.edu/administrativeServices/DPS/Crime%20Incident%20Report%20Form.pdf). Any information received will be reported to DPS for crime reporting notifications, campus crime statistics reporting, and campus education programs. Cases of suspected sex discrimination or sexual harassment may be reported to the Title IX Compliance Officer, who is Teresa Taylor, Interim Executive Director for Institutional Policy, Risk Management and Compliance. (ttaylor19@nwacc.edu; 479-619-4188)

Timely Warning Notifications

The Director of the Department of Public Safety or a designee will coordinate with the Office of Public Relations to develop Timely Warning Notices for the College Community to notify members of the community about serious crimes that occur on campus or on other College owned, leased or controlled property, where it is determined that the incident may pose a serious or continuing threat to members of the College Community. Timely Warning Notices are usually distributed for the following Uniformed Crime Reporting program (UCR)/National Incident Based Reporting System (NIBRS) classifications: major incidents of arson, criminal homicide, and robbery. Cases of aggravated assault and sex offenses are considered on a case-by-case basis, depending on the facts of the case and the information known by DPS. For example, if an assault occurs between two students who have a disagreement, there may be no on-going threat to other College Community members, therefore; a Timely Warning Notice would not be distributed. Sexual Assaults are considered on a case-by-case basis depending on the facts of the case, when and where the incident occurred, when it was reported, and the amount of information known by DPS. Timely Warning Notices may be distributed for other crimes as determined necessary by the Director of Public Safety or a designee in his/her absence.

Timely Warning Notices for the College Community will be written and sent by Public Relations once approved by the Director of Public Safety or his/her designee and one or more of the following: Executive Director for Policy, Risk Management and Compliance, Chief Academic Officer, Vice President for Administration and Finance, Executive Director of Public Relations, College President, or Administrator in Charge of the campus/center facility or designee at the off-site location as determined by existing College
emergency procedures. Notifications may be made via some or all of the following: e-mails, ALERT: me Benton County Alert text messaging system, IP Celerate, NWACCs LiveSafe Smart Phone App, Social Media, press releases, warning posters, campus meetings, and announcements. On all other campuses/centers timely warnings will be delivered by one or more of the following means: bullhorn or other means of verbal contact by DPS and/or other personnel available, blast emails, ALERT:me Benton County Alert text messaging system, press releases, warning posters, campus meetings, and announcements.

Anyone with information warranting a timely warning should report the circumstances to the DPS. All notifications issued will provide general information about the incident as well as crime prevention information that may aid in the prevention of similar occurrences. All Timely Warning notices will be issued in a manner that withholds the names of victims as confidential.

Annual Disclosure of Crime Statistics

The Annual Security Report is compiled by the Department of Public Safety and/or the Clery Compliance Coordinator. Crime and arrest statistics for the report are compiled from police reports obtained from the files of NWACC’s DPS, along with requested information from Bentonville, Pea Ridge, Centerton, Fayetteville, Gravette, Rogers, Springdale and Farmington Police Departments. Student conduct violations statistics are provided by NWACC’s Dean of Students. We cast a wide net for input from other campus officials. Inquiries are made to all campus security authorities, including but not limited to, college administrators, deans, directors and department heads requesting information if a crime was reported to anyone in their area and not reported to the police. Statistics are compiled from their replies.

Security and Access of Campus Facilities

NWACC is an open campus and maintains on-campus security 24 hours a day 7 days a week. Facilities are open to members of the College community and guests. Tours may be scheduled through the Office of Admissions. Visitor parking is allowed in designated areas or by temporary permit only. To obtain parking permission, please call the Department of Public Safety at (479) 619-4229. Administrative buildings are typically open from 8:00 a.m. to 4:30 p.m. Monday through Friday. Academic facilities close and are locked by DPS, after the last class scheduled in the facility. Service buildings (i.e., library, student center) are open during posted hours. NWACC does not have on-campus or off-campus residence halls at any of its campuses.

Some facility hours may vary by facility/location and some facility hours may vary at different times of the year. In these cases, the facilities will be secured according to schedules developed by the department responsible for the facility. Emergencies may necessitate changes or alterations to any posted schedules. DPS conducts daily security checks to verify that all facilities on campus are secured. DPS also monitors on campus security cameras and conducts routine patrols of all campuses/centers which are staffed by DPS Officers.

NWACC is committed to campus safety and security. Exterior lighting and landscape control is a critical part of the commitment. The Physical Plant Department maintains the College’s buildings and grounds, including lighting, walkways, roadways, and landscaping, and conducts routine checks of lighting on
campus. DPS officers regularly patrol the campuses/centers and report any deficient lighting (such as dim, obstructed, or non-operational) or other unsafe facility conditions to the Physical Plant Department.

**Campus Law Enforcement**

a) Enforcement authority of security personnel, b) working relationship with state and local police agencies, and c) arrest authority of security personnel

NWACC's Department of Public Safety has primary responsibility for maintaining a reasonably safe campus/center. Specifically, DPS is responsible for crime prevention, law enforcement, parking control, emergency response, policing of special events, and various other community services on campus/center. DPS provides a full range of campus/center services 24 hours a day, 365 days a year. Some of these services include investigating reports of crimes, conducting follow-ups as necessary, and filing criminal charges or referring the matter (as appropriate) to another department. DPS police officers have complete police authority to apprehend and arrest anyone involved in illegal acts on campus/center and areas immediately adjacent to the campus/center pursuant to A.C.A. 25-17-305. If minor offenses involving college rules and regulations are committed by a student, the DPS may also refer the individual to the Office of Student Conduct. All police officers of NWACC's DPS meet state mandated training requirements and are certified by the Arkansas Commission on Law Enforcement Standards.

Major offenses such as rape, murder, aggravated assault, robbery, and auto theft are reported to the local law enforcement, as well as the NWACC Office of Student Conduct/Dean of Students Office. Although NWACC does not have a formal written memorandum of understanding with all local law enforcement agencies regarding its campuses/centers for the purpose of investigation of alleged criminal offenses, joint efforts are coordinated as needed with these local agencies and the Arkansas State Police to investigate crimes as deemed necessary. The prosecution of all criminal offenses, both felony and misdemeanor, are conducted in the appropriate local, state, or federal court. DPS officers maintain working relationships with local law enforcement agencies and have direct radio communications to facilitate rapid response in any emergency situation.

**Reporting of Crimes to Campus Police and Local Police**

NWACC is committed to providing a safe and secure environment for our students, faculty, staff, and guests. With the support of all members of the College community, there is a continuing effort to keep the campus/center safe and secure. Because a truly safe campus/center can only be achieved through the cooperation of all students, faculty, staff, and guests; everyone is encouraged to accurately and promptly report all crimes to the campus police and the appropriate police agencies as soon as they have knowledge of such an event.

**Voluntary, Confidential Crime Reporting Procedures**

Professional counselors and/or pastoral counselors are encouraged, if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary confidential basis to non-DPS campus security authorities for inclusion in the annual disclosure of crime statistics.
Campus Security Procedures and Practices

Programs designed to inform students and employees about campus security procedures and practices and to encourage students and employees to be responsible for their own security and the security of others

A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others. The institution distributes timely warning notices to the campus/campus to keep them aware of security related issues.

NWACC strives to provide all students, faculty, and staff members with information and education throughout each academic semester which encompasses a variety of topics related to safety and security. Some of the events for 2016 included: Community Resource Fair; table top events across campus to speak to staff and students about safety and security on campus; printed materials to hand out at events across campus; an “app” created for smart phones called, “LiveSafe”, which provides the users with information on safety, security, and how to respond in a crisis situation on campus; Brown Bag lunch sessions during each semester; the campus-wide email for the Annual Security Report; Risk Management Month which covers a variety of topics related to security and risk; Divisional Emergency Preparedness seminar and drills; Administrative Table-Top exercises; We Comply employee training module titled “Emergency Preparedness”; Student Empower Plus online training and education program available to all students; community and campus presenters on topics including “The Use of Technology in Domestic Violence and Stalking”. NWACC also includes safety and security information on several different website pages in order to be easily accessed.

In addition, information regarding NWACC’s safety and security programs and procedures is included in each new student orientation program during the fall and spring semesters. New employees are given this information during their orientation which usually occurs on a bi-monthly basis. The same information is available upon request to all prospective students during the application process and to every job applicant.

Concealed Weapons on Campus

Effective September 1, 2017, Arkansas Act 562 of 2017 allows the possession of concealed handguns in buildings and on the grounds of NWACC, provided certain conditions are met. NWACC is committed to complying with the law while also providing a safe and secure environment for our students, faculty, staff, and guests. In furtherance of these goals, NWACC has revised NWACC Policy # 2005: Possession of Weapons on Campus/Concealed Carry.

Description of the Programs for Prevention of Crimes

NWACC’s DPS crime prevention program is based upon the dual concepts of eliminating or minimizing criminal opportunities whenever possible and encouraging students and employees to be responsible for their own security and the security of others. Educational programs regarding campus/center crime and emergency procedures are conducted periodically. These programs may include DPS Officers or other guest speakers. Through programs such as these, students and employees are reminded to follow such preventative procedures as:

1. Report all crimes and/or suspicious activities to DPS.
2. Protect personal property such as computers, cell phones, tablets, calculators, etc. by marking them with an identification number.
3. Lock offices and car doors.
4. Walk in well-lighted areas at night.
5. Do not walk alone at night.
6. Do not leave books, jewelry, purses, wallets, backpacks or other valuables unattended for any length of time.

Student Off-Campus Criminal Activity

Policy concerning the monitoring and recording student off-campus criminal activity through local police, including student organizations with off-campus housing facilities

When an NWACC student is involved in an off campus/center offense, DPS officers may assist with the investigation in cooperation with local, state, or federal law enforcement. Local law enforcement agencies routinely work and communicate with DPS officers on any serious incidents occurring on campus/center or in the immediate neighborhood and business areas surrounding all of NWACC’s campuses/centers. NWACC operates no on campus/center or off campus/center housing, and there are no off campus/center student organization facilities associated with the campuses. However, many students live in the neighborhoods in the surrounding area. Local law enforcement agencies have primary jurisdiction in all areas off campus/center.
Drug and Alcohol Abuse Education Programs

A statement of policy regarding possession, use, and sale of alcoholic beverages and enforcement of State of Arkansas underage drinking laws. A statement of policy regarding the possession, use, and sale of illegal drugs and enforcement of Federal and State drug laws. Description of drug or alcohol-abuse education programs, as cross referenced in HEA materials

This policy is mandated by and complies with the provisions of the Drug-Free Schools and Communities Act Amendments of 1989. NWACC conducts annual educational programs on drug and alcohol abuse. Educational materials are provided in various locations on NWACC Campuses. Annually, the College makes available to all students and personnel information on procedures for reporting criminal actions, policies concerning campus security, criminal and drug enforcement policies and educational programs, crime prevention programs, and statistics concerning criminal activities on campus/center. All trainings and educational programs are available for faculty, staff, and students.

Information regarding NWACC’s drug or alcohol abuse policies and procedures is included in each new student orientation program/guide and new employees are given this information during their orientation. The same information is made available upon request to all prospective students and job applicants.

Several offices, agencies, and hospitals in the Bentonville area offer drug treatment and rehabilitation services or programs. Information about these can be located in the yellow pages of the telephone directory under the heading, "Alcohol and Drug Information and Treatment Centers." Community resources are also listed in the NWACC Student Handbook. In addition, the Dean of Students office for NWACC has compiled resources and information for faculty, staff and students at the following link: http://content.nwacc.edu/wellness/Alcohol%20and%20Substance%20Abuse.pdf.

Campus Policies and Procedures

Information on Domestic Violence, Dating Violence, Sexual Assault and Stalking

A statement of policy regarding the institution’s programs to prevent dating violence, domestic violence, sexual assault, and stalking. A statement of policy regarding procedures that the institution will follow when one of these crimes is reported

Description of Relevant Educational Programs

NWACC has a zero tolerance policy for gender-based misconduct to include sexual harassment, discriminatory harassment, domestic violence, dating violence, stalking, and other acts of harassment and/or discrimination congruent with our campus policy.

Sexual assault, sexual harassment, discriminatory harassment, domestic violence, dating violence and stalking are specifically prohibited on the NWACC campus/center or in connection with any of the programs and activities it sponsors. Students, faculty, and staff committing these offenses, whether on or off campus, are subject to College disciplinary action as well as criminal action.

During the summer 2014, NWACC joined the national Red Flag Campaign for prevention, awareness and education for students, faculty, and staff, on issues surrounding Domestic Violence, Dating Violence, Stalking, and Sexual Assault. (https://www.nwacc.edu/web/conduct/redflag). This program has continued throughout 2016-2017 with great success.

“The Red Flag Campaign is a public awareness campaign designed to address dating violence and promote the prevention of dating violence on college campuses. The campaign was created using a “bystander intervention” strategy, encouraging friends and other campus community members to “say something” when they see warning signs (“red flags”) for dating violence in a friend’s relationship. The campaign posters reflect racially and ethnically diverse models, and illustrate both heterosexual and same-sex relationships.” (www.theredflagcampaign.org)

This bystander intervention campaign helps the campus to create more awareness and provides resources and outreach for issues surrounding domestic violence, dating, stalking and sexual assault through use of social media, emails campaigns, bathroom flyers in all campus locations, campus events, classroom discussions, online training forums, speaking events, and guest presentations/speakers.

Sex offense awareness and prevention programs are presented regularly throughout each semester across campus. All faculty, staff, and students are invited to attend. Guest speakers may also be brought to the campus for presentations open to the entire campus community. Materials including pamphlets covering sex offense awareness and prevention and similar materials are also available in the Student Center.

For more information on the Red Flag Campaign email: redflag@nwacc.edu

Through these efforts, students and employees are informed of preventive actions such as the following:

Protecting yourself

- Determine what you want and what you don’t want and communicate your limits clearly. No one should pressure you into unwanted sexual activity. If you are uncertain about what you want, ask your partner to respect your feelings.
• Know that you have the right and power to say "No" and the right and power to defend yourself against someone who won't listen to you. If you say "No", say it firmly and directly.
• Trust your intuition. If you feel something is wrong, it likely is. Remove yourself from the situation and get to a safe space as quickly as you can.
• Be careful with alcohol and drugs. Some people think that a drunk or stoned companion has automatically consented to sex.
• Attend parties with friends you can trust. Agree to 'look out' for one another. Try to leave with a group, rather than alone or with someone you don't know very well.
• Look for danger signals in a dating relationship. If your partner restricts your activities, isolates you from friends, and displays jealous behavior, he or she may eventually rape and/or beat you.
• Talk with your friends about ways you’ve learned to prevent rape and violence.

Protecting your partner and friends

• Respect your partner’s feelings and needs. Don't pressure anyone to go beyond the limits she or he has set. Listen carefully to your partner and ask for clarification if your partner seems unclear or is giving you a 'mixed message'.
• Respect the person when she or he says "No" to sexual activity and comply. "No" does not mean "Yes"; "No" means "No".
• If you see someone in a vulnerable position, find a non-threatening way to help. Don't ignore a potential case of rape-- get involved if you believe someone is at risk.
• With alcohol and drugs, remember that they can interfere with your ability to assess situations and to communicate effectively. If you have sex with a person under these conditions, the situation could be understood as rape, meaning trauma and legal consequences could result.
• Be careful in group situations- resist pressure from friends to participate in or be subjected to violent or criminal acts.
• Specifically for men, don’t make assumptions about a woman’s behavior. Don’t automatically assume a woman wants to have sex just because she drinks heavily, dresses provocatively, or agrees to go back to your room.

The Arkansas statute of rape is not gender specific, which recognizes that individuals of any gender can be victims or perpetrators of rape. Sexual assault can occur whenever consent is not freely given by the victim; whenever the victim fears that he or she will be injured if he or she does not submit; whenever the victim is incapable of giving consent or resisting due to alcohol or drugs; and whenever the perpetrator uses physical force, threat, coercion, or intimidation to overpower the victim.

Consent is clear, knowing and voluntary. Consent is active, not passive. Silence, in and of itself, cannot be interpreted as consent. NWACC Procedures for Victims of Dating Violence and/or Domestic Violence

Responding to Victims of Domestic/Dating Violence

Domestic violence laws in Arkansas prohibit people from physically injuring family members and household members. Arkansas also makes it illegal to engage in conduct that creates a substantial danger of death or serious injury to a family or household member. Punishment for domestic violence crimes range from misdemeanor penalties to lengthy felony prison sentences.

Arkansas domestic violence laws apply to aggressors and victims who are family or household members. Arkansas defines “family or household members” as:
- current or former spouses
- parents and children
- persons related by blood
- a child living in the household
- persons who currently or previously lived together
• people who have a child together, and
• persons who currently or formerly were in a dating relationship

If you have safety concerns, the Department of Public Safety can also escort you to your vehicle on campus. Downloading LiveSafe from the App Store or Google Play is another way to share information with Public Safety, know what resources are around you on campus, and quickly request help in an emergency. NWACC strongly advocates that a victim of sexual assault report the incident as soon as possible. You are encouraged to report domestic violence to the Title IX Coordinator, and/or the Director of Student Support, and/or the Dean of Students, and/or Public Safety.

A college representative from the Department of Public Safety, the Human Resources Department, the Title IX Office, and/or the Dean of Students Office will guide you through the available options and will support you in your decision. These college representatives will provide options for support and will assist you in connecting with community resources, and local police if desired.

Regardless of whether the person who is accused of domestic violence is associated with NWACC, the college will provide assistance for any student or employee who is a victim.

If the person who is accused of domestic violence is an employee of NWACC: Human Resources will investigate to see if any further action is necessary.

If the person who is accused of domestic violence is a student at NWACC: NWACC disciplinary proceedings are detailed in the Student Handbook. Possible sanctions imposed for disciplinary purposes against the perpetrators of domestic violence in the event of a finding of “in violation” include expulsion, suspension, dismissal, disciplinary probation, educational sanctions, denial of certain privileges, and counseling. The perpetrator could also be subjected to criminal prosecution in the state courts. Retaliation against a person for reporting an offense is not permissible.

Employee victims might have the option to make temporary changes to their work assignment, if such change is reasonably available. The Human Resource Office will provide more information on what options are available.

Student victims have the option to change their academic situation after an alleged domestic violence occurrence, if such change is reasonably available. The Vice President for Student Services or the Dean of Students can provide information about this option and assist you with the process.

NWACC has an Employee Assistance Program (EAP) which provides confidential counseling and referral service that can help you and your immediate family members. EAP is available to all eligible employees and there is no cost.

If you are a student, NWACC may provide you with free, confidential and professional counseling services through a partnership with local counseling centers.

The NWACC Department of Public Safety may provide assistance when needed. This can include accompanying an employee or student on campus who feels threatened.

**Reporting to a Confidential Advocate:**
Some people may choose to start with a Confidential Advocate before making the decision on what steps to take.

Confidential Advocates have been specially trained to provide affirming, empowering, and confidential support. The Advocate will listen and explain options available to you while providing support. It is your decision to pursue available resources or to report an incident to law enforcement or the College.
Although rare, there are times when the College may not be able to honor a victim's request for confidentiality. If a victim discloses an incident to an Advocate but wishes that no investigation into the incident be conducted or disciplinary action taken, the Advocate must weigh that request against the College's obligation to provide a safe environment for all students, including the victim.

**Guidance if you are a victim of domestic violence:**

- Call the NWA Women’s Shelter at their 24-hour hotline numbers 800-775-9011 or 479-246-9999 for support, advocacy, emergency shelter, and other resources. Please note that the shelter services women, men, and children.
- If you are experiencing stalking, you are encouraged to document all related behaviors, such as harassing telephone calls, electronic contacts (texts, e-mails, contact via social media), letters/notes, acts of vandalism, and threats communicated through third parties. If possible, try to include the date, time, location, and description of what occurred.
- If you were harmed, you are encouraged to receive medical attention as quickly as possible.
- Tell someone you trust about the incident, you may want to develop a safe word to be used in emergency situations to indicate when and how they can help you.
- If you obtain external orders of protection, please notify Campus Police, the Dean of Students, the Director of Student Support, or the Title IX Coordinator so that those orders can be observed on campus.
- Treat all threats, direct or indirect, as legitimate and report them.

NWACC Procedures for Responding to Victims of Sexual Assault

Responding to Victims of Sexual Assault

The Arkansas statute of rape is not gender specific, which recognizes that individuals of any gender can be victims or perpetrators of rape. Sexual assault can occur whenever consent is not freely given by the victim; whenever the victim fears that he or she will be injured if he/she/they does not submit; whenever the victim is incapable of giving consent or resisting due to alcohol or drugs; and whenever the perpetrator uses physical force, threat, coercion, or intimidation to overpower the victim.

If you are a victim of sexual assault.............

Your first priority should be safety. If there is any immediate danger, contact Campus Police (479-619-4229) if you are on campus, or call 911 if you are off campus. If you have safety concerns, the Department of Public Safety can also escort you to your vehicle on campus. Downloading LiveSafe from the App Store or Google Play is another way to share information with Public Safety, know what resources are around you on campus, and quickly request help in an emergency. NWACC strongly advocates that a victim of sexual assault report the incident as soon as possible. You are encouraged to report domestic violence to the Director of Student Support, and/or the Dean of Students, and/or Public Safety.

You should then obtain necessary medical treatment. You are encouraged to go to a hospital emergency room to receive appropriate medical care and/or evidence collection. NWACC strongly advocates that a victim of sexual assault report the incident as soon as possible. Time is a critical factor for evidence collection and preservation. If the assault is reported within 72 hours of its occurrence and you cooperate with the police in providing information and evidence, the State of Arkansas pays for the medical examination. Also, if the offense is reported to the police, Victims Compensation can pay for the treatment or other injuries that occurred during the rape. An assault should be reported directly to the Title IX Coordinator, Public Safety, the Dean of Students Office and/or the Human Resource Office. Contact information is listed below:

NWACC Public Safety/Campus Police  BH 1205  479-619-4229
Beverly Hill, Human Resource Office  BH 1128.13  479-619-2679
Teresa Taylor, Title IX Coordinator  CHP 3048  479-919-4188
Ms. Dale Montgomery, Dean of Students  SC 225J  479-619-4234
Director of Student Conduct  SC 225 I  479-619-4315

You may also contact one of the local police departments by dialing 911, or listed below are the direct numbers for some of our area police stations:

Bentonville Police: 479-271-3170
Filing a police report with an NWACC Public Safety officer will not obligate you to prosecute, nor will it subject you to scrutiny or judgmental opinions from officers. Filing a report if you are a victim of sexual assault will help ensure that you:

- Understand your options
- Are provided with the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet or change clothing prior to a medical/legal exam). You should not disturb the area where the assault occurred.
- Obtain access to confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.
- Receive necessary medical treatment and tests.
- Are advised of the importance of writing down detailed information about the assault – where, when, who, and if the assailant is a stranger to remember his or her height, hair color, scars, and clothing.
- Are advised to seek emotional support from a friend, counselor, or anyone who can help provide that support.

If you are a victim of sexual assault, you may choose for the investigation to be pursued through the criminal justice system and NWACC, or only the latter. A college representative from the Public Safety Department, the Title IX Coordinator, the Dean of Students, or a representative from Human Resources will guide you through the available options and will support you in your decision. These college representatives will provide options for support and will assist you in connecting with community resources, and local police if desired. NWACC has counseling services available to eligible employees through the Employee Assistance Program (EAP). For students, NWACC may provide you with professional counseling services through a partnership with Ozark Guidance at no charge to you.

Procedures to Follow if Sexually Assaulted

The Student Right to Know and Campus Security Act requires that students be provided information concerning campus sexual assault programs and the procedures which should be followed once an offense has occurred. Although it may be difficult, it is always best to report a sexual assault (attempted rape or rape, which includes acquaintance rape) to the Department of Public Safety or to the local law enforcement as quickly as possible. Crimes that occur on-campus will be referred to the NWACC DPS for jurisdiction purposes.

Any information received will be reported to DPS for crime reporting notifications, campus crime statistics reporting, and campus education programs. Cases of suspected sex discrimination or sexual harassment may be reported to the Title IX Compliance Officer, Teresa A. Taylor, at 479-619-4188 or via email: ttaylor19@nwacc.edu or titleix@nwacc.edu.

**In an emergency, an individual should go straight to the hospital.**

You are encouraged to go to a hospital emergency room to receive appropriate medical care and/or evidence collection. These important steps should be taken after a sexual assault:
Guidance if you are a victim of sexual assault:

- Call the Center for Sexual Assault at their 24-hour hotline 800-794-4175 for support, accompaniment to the hospital, support with law enforcement, or to meet you at the Sexual Assault Nurse Examiner Crisis Center.
- If the offense is reported to the police, Victim Compensation may pay for the treatment or other injuries that occurred during the rape.
- It is encouraged that you do not shower, eat, drink, smoke, comb your hair, urinate, douche, or change clothes before going to the emergency room or Center for Sexual Assault. However, if you have already taken any of these actions, you are still encouraged to seek medical care, and evidence may still be recoverable.
- If you decide to pursue criminal action, it is important that evidence be preserved. If possible do not alter the physical scene of the assault, i.e., room, car, etc., not be altered, cleaned up, or disturbed in any way. The decision on how to proceed can be made at a later date, but evidence preservation keeps options open.
- If you have physical injuries, photograph or have them photographed, with a date stamp on the photo.
- Try to document details (physical description, names, license plate number, car description,) if you have time and the ability to do so.
- If you decide not to seek medical attention in relation to a police investigation (i.e. the forensic evidence kit), still seek medical attention from a physician or a hospital.
- Victims that are capable of becoming pregnant may choose to talk with a healthcare professional about the “morning after pill”. This type of medication is most effective within 72 hours of the incident.
- Victims may also want to be screened for sexually transmitted infections.

Reporting to a Confidential Advocate:
Some people may choose to start with a Confidential Advocate before making the decision on what steps to take.

Confidential Advocates have been specially trained to provide affirming, empowering, and confidential support. The Advocate will listen and explain options available to you while providing support. It is your decision to pursue available resources or to report an incident to law enforcement or the College. Although rare, there are times when the College may not be able to honor a victim’s request for confidentiality. If a victim discloses an incident to an Advocate but wishes that no investigation into the incident be conducted or disciplinary action taken, the Advocate must weigh that request against the College’s obligation to provide a safe environment for all students, including the victim.

If the person who is accused of sexual assault is a student at NWACC:
NWACC disciplinary proceedings are detailed in the Student Handbook. Possible sanctions imposed for disciplinary purposes against the student perpetrators of sexual assault in the event of a finding of “in violation” include expulsion, suspension, dismissal, disciplinary probation, educational sanctions, denial of certain privileges, and counseling. The perpetrator could also be subjected to criminal prosecution in the state courts.

Regardless of whether the person who is accused of sexual assault is associated with NWACC, the college will provide assistance for any employee or student who is a victim. Retaliation against a person for reporting an offense is not permissible.
Employee victims might have the option to make temporary changes to their work assignment, if such change is reasonable available. The Human Resource Office will provide more information on what options are available.

Student victims have the option to change their academic situation after an alleged sex offense, if such change is reasonably available. The VP for Student Support and/or the Dean of Students can provide information about this option and assist you with the process.

The NWACC Department of Public Safety may provide assistance when needed. This can include accompanying an employee on campus who feels threatened.

Northwest Arkansas Community College (NWACC) makes available literature on date rape and sexual assault through the Student Information Center brochure rack and the Washington County Center. The Arkansas Coalition Against Sexual Assault: www.acasa.us is an informative resource for sexual assault issues.

The registered sex offender’s website is accessible for viewing by going to the PUBLIC SAFETY link: http://www.nwacc.edu/publicsafety. Simply click on the Arkansas Crime Information Center link. Responding to Victims of Stalking
Stalking laws in Arkansas prohibit people from engaging in behaviors and conduct that would make a reasonable person fear for their safety or the safety of another individual. Stalking is a pattern of repeated and unwanted attention, harassment, contact, or any other course of conduct directed at a specific person that would cause a reasonable person to feel fear for his or her safety or the safety of others and /or suffer substantial emotional distress. Stalking may include repeated unwanted communication in person or through phone, e-mail, or social media; following or waiting for the victim at their home, school work, etc.; tracking the victim with GPS or other technology; making threats and damaging property.

If you are a victim of stalking, your first priority should be safety.

If there is any immediate danger, contact Campus Police (479-619-4229) if you are on campus, or call 911 if you are off campus. If you have safety concerns, the Department of Public Safety can also escort you to your vehicle on campus. Downloading LiveSafe from the App Store or Google Play is another way to share information with Public Safety, know what resources are around you on campus, and quickly request help in an emergency. You are encouraged to report stalking to the Director of Student Support, and/or the Dean of Students, and/or Public Safety.

Filing a police report with an NWACC Public Safety officer will not obligate you to prosecute. If you are a victim of stalking, you may choose for the investigation to be pursued through the criminal justice system and NWACC, or only through NWACC. A college representative from the Public Safety Department or the Dean of Students will guide you through the available options, will support you in your decision, and connect you to community resources and local police if desired. Filing a report if you are a victim of stalking will help ensure that you understand your options and are connected to resources. Regardless of whether the person who is accused of stalking is associated with NWACC, the college will provide assistance for any student who is a victim.

Guidance if you are a victim of stalking:

- Call the NWA Women’s Shelter at 800-775-9011 for support, advocacy, emergency shelter, and other resources. Please note that the shelter services women, men, and children.
- If you are experiencing stalking, you are encouraged to document all related behaviors, such as harassing telephone calls, electronic contacts (texts, e-mails, contact via social media), letters/notes, acts of vandalism, and threats communicated through third parties. Individuals may also report a sexual assault to any of the local hospitals or obtain assistance from the following community resources that include, but are not limited to:
Option to Notify Law Enforcement Authorities

Sexual assault victims are entitled to certain rights which shall be recognized and provided by all campus student services, Title IX, and Human Resources personnel. Among these are:

- The right to notify proper law enforcement authorities, including on-campus and local police, and the option to be assisted by NWACC’s Department of Public Safety in notifying such authorities.
• The right to have an incident of sexual assault investigated and adjudicated by the campus conduct system.
• The right to full and prompt cooperation and assistance in the campus disciplinary/conduct processes.

State of Arkansas – Laura’s Law

The recently enacted "Laura's Law" requires Arkansas police officers responding to domestic violence incidents to ask victims a set of questions to evaluate their risk of being killed by abuse, such as whether the offender has ever used a weapon against the victim or controls most of the victim’s daily activities. The assessment aims to help identify victims in severe danger needing intervention. Police will also present victims with a "Laura’s Card," a document listing their rights and contact information for local prosecutors and shelters.

Laura’s Card

Purpose:
• To provide crime victims their rights afforded to them by Arkansas’ Victim’s Bill of Rights outlined in Arkansas Victim Rights Act of 1997 and Laura’s Card Act 873
• To provide state wide consistency of information concerning victim's rights provided to victims’ of crime.
• To provide victim rights and information in a clear and concise manner in order to empower victims to make decisions about their safety

Protocol:
Law enforcement agencies responding to crime incidents are required to inform victims in writing of their victim’s rights. Officers MUST inform victims of the availability of services: medical, housing, counseling, financial, social, legal, and emergency services. In addition, officers MUST inform victims about how to obtain orders of protection, how to access public records related to the case, and about the Arkansas Crime Victims Reparations Board (including the address and phone number).

Provides:
• Links to the Arkansas Crime Information Center which contains Arkansas' Victims' Bill of Rights and Crime Victims’ Guide to the Arkansas Judicial System.
• Information concerning legal aid and printable protective orders.
• Links to Vine Link notification system.
• Information and a link to the Arkansas Crime Victim’s Reparation Program.
• Links to government agencies where more detailed information on victims’ rights and resources are located
• Space provided for local victims’ services information including available medical, housing, counseling, financial, social, legal, and emergency services

For more information on Laura's Law and Laura's Card (in English and Spanish), please visit: http://www.nwacc.edu/web/administrativeservices/resources
Or: http://www.cji.edu/resources/lauras-law/

Notification of On-and-Off Campus Victim Services

Guidance and assistance for reporting the assault may be received from DPS or the Office of Student Support. If the assault is reported within 72 hours of its occurrence and you cooperate with the police in providing information and evidence, the State of Arkansas pays for the medical examination. Also, if the offense is reported to the police, Victims Compensation can pay for the treatment of other injuries that occurred during the rape. Under any circumstances medical evaluation is important because of the possibilities of Sexually Transmitted Diseases and pregnancy.
The NWACC Student Handbook includes additional available community resources. You can also visit this link for additional community resources: https://www.nwacc.edu/web/conduct/redflag. Off-campus counselors for mental health or victims of sex offenses can be found in the yellow pages of the telephone book under the heading “Counseling,” “Counseling Centers,” or “Counselors.” NWACC offers free personal counseling services for students and employees. Students can contact the Dean of Students office to schedule an appointment: 479-619-4234. Employees can find more information on free counseling services by visiting: https://www.nwacc.edu/web/personnel/eap.

**Victim Assistance for Academic or Employment Changes**

If a student has been the victim of a sexual assault, NWACC will change the victim’s academic schedule after the alleged sex offense if those changes are requested by the victim and they are reasonably available. The VP for Learner Support Services or the Dean of Students can provide information about this option and assist you with the process. NWACC does not provide on or off campus housing and does not assist with living arrangements.

Employee victims might have the option to make temporary changes to their work assignment, if such change is reasonably available. The Human Resource Office will provide more information on what options are available.

**Disciplinary Actions**

The NWACC Student Code of Conduct, found in the Student Handbook contains the procedures for campus disciplinary action. The college will conduct an investigation when a complaint is received. The complainant and the respondent are entitled to the same opportunities to be heard. They may both have the same opportunities to have others present as representatives and witnesses if a formal hearing is held and both parties are informed of the outcome in accordance with federal laws. A complete explanation of the hearing and appeals process can be found on the college website: http://content.nwacc.edu/conduct/Conduct%20Policy.pdf or in the Student Handbook, page 3-18, “Student Conduct Policies and Procedures”.

In addition, to the Code of Student Conduct, NWACC’s Sex Discrimination, Sexual Harassment, and Sexual Misconduct Complaint and Grievance Procedures contain all information and procedures for the Title IX campus disciplinary actions. Please refer to this link for more information: http://content.nwacc.edu/administrativeservices/CollegePolicy/TitleIX/SexDiscriminationMisconductHarassmentProcedures.pdf, or contact the Title IX Coordinator directly.

If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.

Registered Sex Offenders

The federal Campus Sex Crimes Prevention Act (CSCPA) of 2000 is a federal law that provides for the tracking of convicted sex offenders enrolled at, or employed by, institutions of higher education. The federal law requires institutions of higher education to issue a statement advising the campus community where information concerning registered sex offenders may be obtained.

Pursuant to Arkansas Act 916 Sex Offender Registration of 2017, sex offenders must register with NWACC within three days of employment or registration. The NWACC Department of Public safety maintains all records of registration and they are available to the public upon request. See http://content.nwacc.edu/AdministrativeServices/CollegePolicy/PublicSafety/SexOffenderRegistrationPolicy.pdf

A current listing of all registered sex offenders in Arkansas is available at: http://acic.org/offender-search/index.php The web site can be searched by city, county, zip code, or name.

Introduction

The Drug-Free Schools and Campuses Regulations (EDGAR Part 86) require that, as a condition of receiving funds or any other form of financial assistance under any federal program, an institution of higher education (IHE) must certify that it has adopted and implemented a program “to prevent the unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees” both on the institution’s premises and as part of any of its activities. According to the Part 86 regulations, if an IHE fails to submit the necessary certification when requested to do so or violates its certification, the Secretary of Education may terminate all forms of financial assistance whether from the Dept. of Education or other federal agencies (34 CFR Section 86.1 and 20. USC & 1145g.).

The Drug-Free Schools and Campuses Regulations also require IHEs to conduct a biennial review of the AOD (alcohol and other drugs) programs and policies to determine program effectiveness and consistency of policy enforcement and to implement any changes needed to either.
This legislation directs the NorthWest Arkansas Community College (NWACC) to maintain a written policy on alcohol and other drugs and to maintain a process that ensures policy distribution to all students, staff and faculty. The written policy must enumerate federal, state and/or local sanctions for unlawful possession or distribution of illicit drugs and alcohol, describe health risk associated with alcohol abuse or illicit drug use, describe College drug and alcohol programs available for students and employees, and specify disciplinary sanctions imposed on students and employees for policy violations. Also, the College is required to conduct biennial reviews to assess the effectiveness of its alcohol and drug prevention programs.

In compliance with federal legislation, the Director for Student Support in the division of Student Services for NWACC has prepared this biennial review.

**This biennial reviews has the following dates of coverage:**

**September 1, 2014-August 31, 2016**

Creating a program that complies with the regulations requires an IHE to do the following:

1. Annually notify each employee and student, in writing, of standards of conduct; a description of appropriate sanctions for violations of federal, state, and local laws and campus policies; a description of health risks associated with AOD use; and a description of available treatment programs/options.
2. Develop a sound method for distributing annual notification information to every student and staff/faculty member each year.
3. Prepare a biennial report on the effectiveness of its AOD programs and the consistency of sanction enforcement.
4. Maintain a copy of the biennial review on file, available for inspection by the U.S. Department of Education.

**The following campus units provided information for this report:**

- Dean of Students
- Office for Student Support
- Office of Student Life and Activities
- NWACC Department of Public Safety
- Office of Policy, Risk Management, and Compliance
- Human Resources

The intention of this document is to meet the legal requirements of conducting a biennial review and also summarize the programs and activities related to alcohol and drug prevention and awareness on NWACC’s campus during the 2014-2015 and 2015-2016 academic years.

Biennial Review Report

The NorthWest Arkansas Community College continues to be committed to an environment that discourages the inappropriate or illegal use of alcohol and drugs and to providing an environment that supports healthy decisions and lifestyles. The campus has established policies and procedures in place to enforce this commitment and provides education and information to those who need assistance as a result of their alcohol or drug use. In compliance with the requirements of the Biennial Review, we have completed the following checklist to serve as a guide for ensuring our campus population receives all required information:

1. Annually notify each employee and student, in writing, of standards of conduct; a description of appropriate sanctions for violations of federal, state, and local laws and campus policies; a description of health risks associated with AOD use; and a description of available treatment programs/options.
   a. Email to all NWACC community which will include information on campus policies (student and employee), conduct procedures and sanctions for violations, health risks associated with AOD usage, and a list of local, state and national resources and treatment programs/options
   b. This information will be included on the Wellness website for the DOS and links will be listed in the email
2. Develop a sound method for distributing annual notification information to every student and staff/faculty member each year.
   a. Create email notification to be distributed by PR/Marketing to all NWACC faculty, staff and students (including adjuncts, online students, and part time)
   b. Email will be sent no later than September 30th of each academic year
3. Prepare a biennial report on the effectiveness of its AOD programs and the consistency of sanction enforcement.
a. Due to the small number of alcohol and drug violations that take place it is not possible to measure the effectiveness of the awareness and prevention programs that the college offers.

4. Maintain a copy of the biennial review on file, available for inspection by the U.S. Department of Education.
   a. File will be maintained by DOS, Office for Student Support, and Risk Management Director

Printed fliers and documentation on alcohol and drug usage are available in the Bentonville and Springdale Student Centers. Samples of publications are attached to this report.

Information provided through Successful First Year Student Course textbook utilized in the Successful First Year Experience courses.

**Counseling Services**

Counseling services are provided to assist students in times of stress or to help overcome barriers to student success. NWACC collaborates with area agencies to provide on campus counseling multiple days per week. Our counseling services are at no charge to the student. Our counselors provide personal counseling that can include substance abuse issues when addressed. Sometimes collaboration occurs with our counseling services and other campus departments about the specific resource/referrals a student may need in order to receive the best treatment. We work in conjunction with our campus counselors to provide educational sessions for students to attend.
Orientation Materials

All first-time, degree seeking students must participate in an online orientation. This orientation contains information on The Code of Student Conduct, the Dean of Students Office, Safety on Campus, how to access counselors on campus and much more. This orientation serves as a great resource to students as they begin to navigate college life.

Conduct Website

The Dean of Students Office maintains the Student Conduct website for NWACC. The website can be located at: https://www.nwacc.edu/web/conduct/index. This website contains student information which can be easily located and accessed. This website informs the student about the conduct process, Code of Student Conduct, where to find information and resources on topics such as: Wellness, alcohol and drug resources, sexual assault and sexual harassment, professional counseling, domestic violence, public safety, campus policies, equality information and much more.

The following link includes our information on drug and alcohol resources: https://www.nwacc.edu/web/wellness/2

Dean of Students Office/Director of Student Support

The DOS welcomes students’ ideas and concerns as it is her/his mission for all students to be connected to the college.

The college endeavors to make the campus community a place of study and work where all people are treated with respect and courtesy. The office of Student Conduct strives to protect the college environment and to provide a quality learning environment, one that is safe, secure, and conducive to academic pursuits.

Every student on the NWACC campus is responsible for reading and understanding the Code of Student Conduct. Student Conduct Policies and Procedures can be located at the following link: (policy attached to report) http://content.nwacc.edu/conduct/Conduct%20Policy.pdf

Office of Student Life

The Office of Student Life (OSL) provides many entertaining, non-alcoholic activities for students to participate in. Each semester they have continuous activities engaging students and promoting student leadership and involvement. Additionally, OSL provides AOD educational programming for students, faculty, and staff by hosting events focused on the risks associated with alcohol and drugs.

Department of Public Safety

In conjunction with the Dean of Students and the Office for Student Support, NWACC Department of Public Safety (DPS) officers enforce alcohol and drug abuse laws and related campus policies. They
respond to alcohol and other drug complaints: intervening where necessary, issuing citations, making referrals to the Director of Student Support when appropriate, and handling emergencies.

DPS also maintains and publishes the “Clery Act Annual Security Report”, which provides alcohol and drug related information and statistics related to criminal activity.

**Statistics and Reports on Alcohol and/or Drug Violations (list by year)**

In the Clery reporting category for Additional Arrests (not required), the following were violations on our campus:

**DWI/DUI:**

2014: 0

**Summary**

The NorthWest Arkansas Community College is in compliance with the requirements for federal regulations including the Drug Free Schools and Campuses Regulation, has an effective AOD policy, consistently enforces standards of behavior related to AOD abuse and distributes the policy in writing to students.

Due to the small population, lack of community housing and general unique nature of the campus, the actual abuse of alcohol and/or drugs by our students and employees appears to be minimal, based upon the information and research available. We will continue to develop, evaluate, assess, and pursue the best practices for our campus to create a safe and healthy environment for our students and campus community.

Addendum “B” - NWACC’s Title IX Complaint and Grievance Procedures

Title IX Complaint and Grievance Procedures

NORTHWEST ARKANSAS COMMUNITY COLLEGE
SEX DISCRIMINATION, SEXUAL HARASSMENT AND SEXUAL MISCONDUCT
COMPLAINT/GRIEVANCE PROCEDURE

These procedures are intended to apply to student grievances against employees, employee civil rights grievances against students, and student-on-student civil rights grievances. All other grievances by students against students or employees will be addressed through other conduct procedures.

The college benefits from formal and informal procedures that encourage prompt resolution of complaints and concerns raised by members of the college community.

Notification

Students, faculty members, administrators, staff members, or visitors to the college are strongly encouraged to report allegations of discrimination or harassment to a member of the Title IX team. A report of sex discrimination or harassment should be made as soon as possible after the incident in order to facilitate an effective response. The longer a report is delayed, the more difficult it will be for the college to investigate.

A person who raises a complaint may discuss any situation believed to constitute sex discrimination or sexual harassment with any member of the Title IX team. Reports may be made by the person experiencing the discrimination or harassment or by a third party, such as a witness or someone who is told of the discrimination or harassment. A complaint against a student may also be reported through the college’s online Student Conduct Reporting Form, Advocate, which can be found on the Student Conduct website or at the following link: https://nwacc-advocate.symplicity.com/public_report/.

A complaint against an employee may be made through the college’s online Ethics Point report line (https://secure.ethicspoint.com/domain/media/en/gui/15781/index.html). After selecting the Make a Report tab, the reporting party should look for the Discrimination and Harassment button under the Human Resources arrow.

Upon receipt of a complaint/grievance, the Title IX team will meet to review the information presented and to determine the appropriate course of action. The Title IX team consists of:

Title IX Team (effective September 2017):

If it is determined that an informal resolution is most appropriate in the circumstances given, the incident will be documented and appropriate remedies will be enacted.

If it is determined that a formal investigation is warranted, the appropriate deputy or designee will convene an investigation team and will assign 1-3 members of the Investigation and Hearing Board to conduct the investigation. The deputy will determine appropriate accommodations for the reporting party or other necessary remedial short-term actions. In any complaint, the appropriate deputy or designee will play a role in the investigation of the incident and in the enforcement of sanctions, if any. The Title IX Compliance Officer or his or her deputy will apprise the Vice President for the appropriate division of the grievance, or if the grievance is against the student, the Vice President of Learner Support Services.

Investigation

The Investigative Team will:

- Be staffed with trained faculty/staff and administrators;
- Identify the policies allegedly violated;
- Meet with the reporting party to finalize the grievance;
- Prepare the notice of charges on the basis of initial investigation;
- Develop a strategic investigation plan which may include a witness list, an evidence list, an intended timeframe, and an order of interviews for all witnesses, including the responding party;
- Conduct a thorough, reliable and impartial investigation. Witnesses may or may not be given notice prior to the interview;
- Complete the investigation promptly, and without unreasonable deviation from the intended timeline;
• Make a finding on the case, based on a preponderance of the evidence which indicates that a policy violation has or has not occurred; and
• Prepare a complete report on the investigation and its findings to present to the Deputy.

The deputy will:
• Present the findings to the individual(s) alleged to have committed discrimination or harassment, who may accept the findings, accept the findings in part and reject the findings in part, or may reject all findings;
• Share the findings and the outcome with the reporting party.

If the findings indicate that the alleged discrimination or harassment has not occurred, the investigation should be closed. The reporting party who filed a complaint may request from the Title IX Deputy an extraordinary decision to refer the complaint to a hearing. A hearing will only be granted by the Deputy in exceptional circumstances.

Where the findings indicate that the alleged discrimination or harassment has occurred, and the responding party(-ies) accepts the findings that s/he violated college policy, an appropriate sanction will be imposed. If the complaint is against a student, the sanction will be determined by the Vice President of Learner Support Services in consultation with Deputy. If the complaint is against an NWACC employee, the Vice President for the appropriate division in consultation with the Human Resources Deputy and the Dean or Director of the appropriate division will determine the sanction. NWACC will act to end the discrimination, prevent its recurrence, and remedy its effects on the person who filed the complaint and on the NWACC community.

Following the investigation, the Deputy will distribute a written Letter of Determination to the affected parties.

**Hearing**

1. In the event that the individual(s) alleged to have committed discrimination or harassment rejects the investigation findings in part or entirely, the Deputy will convene a hearing to discuss the contested aspects of the formal complaint. Three members of the Investigation and Hearing pool will be selected for the Hearing Board. At the hearing, the findings of the investigation will be admitted and the Investigation Team may give evidence. However, the Hearing Board is not bound by the finding(s) of the Investigation Team. The hearing will determine whether it is more likely than not that a violation of policies has occurred. The goal of the hearing is to provide an equitable resolution via an equitable process, respecting the civil and legal rights of all participants.
Prior to the Hearing

The Title IX Deputy or designee will select the hearing board members and provide the investigation report to them for their preparation.

No later than five (5) business days before the hearing,
- The Deputy will notify the reporting party and the responding party of the date, time and place of the hearing and the time that each party should appear;
- The reporting party will notify the deputy if he/she will be accompanied by an attorney or other advocate; and
- The responding party will notify the deputy if he/she will be accompanied by an attorney or other advocate.

No later than three (3) business days prior to the hearing,
- The hearing board members will study the investigation report and determine what witnesses they wish to interview;
- The reporting party and the responding party will have the opportunity to study the investigation report;
- The reporting party and the responding party will provide the Deputy with the names and contact information of any witnesses they wish to have the hearing board interview;
- The Title IX Deputy or designee will notify the witnesses that the board wishes to interview them at the date and time designated;
- The parties will be informed of the names of the witnesses to be called, unless there is a compelling safety reason for nondisclosure;
- The reporting party and the responding party will provide any documents they wish to make available to the hearing board and;
- The reporting party and the responding party may submit questions to the deputy that they would like for the hearing board to ask. Please note that the hearing board is under no obligation to ask those questions during the hearing if they are deemed by the board to be inappropriate or irrelevant.

No later than two (2) business days prior to the hearing, any participant in the hearing who requires special accommodations should notify the Deputy or designee.

At the Hearing

The Title IX Deputy or designee will chair the hearing and oversee the proceedings. The hearing may be recorded so that the proceedings may be reviewed in the event of an appeal.

The following parties may ask questions that are relevant to the complaint:
- The Title IX deputy or designee; and
- The hearing board members.

The reporting party has the right to be interviewed without the responding party present and vice versa. However, each party has the right to know the content of the statements of the other and to respond to them.
Both the reporting party and the responding party will be given the opportunity to make a brief and relevant impact statement.

Witnesses will not be present during the testimony of any party or other witness. If a witness is unable to appear, a statement from the witness may be accepted into the record. Telephone, Skype or other technology may also be used for the convenience of the witness.

The hearing board may recall the reporting party, the responding party, or witnesses if clarification is needed.

2. Following the hearing, the hearing board will go into closed session to deliberate and will notify the Deputy or designee in writing of the finding.

3. If the Hearing Board determines a violation has occurred, it will recommend that sanctions for the violation be imposed. The Vice President for the appropriate division of the complaint, or if the complaint is against a student, the Vice President of Learner Support Services, will impose appropriate sanctions for the violation, after consultation with the Dean or Director of the appropriate division and the Deputy. NWACC will act to end the discrimination or harassment, prevent its recurrence, and remedy its effects on the person who filed the complaint and on the NWACC community.

If the Hearing Board determines that no violation has occurred, the case will be closed.

4. Within ten (10) business days, the Title IX Deputy or designee will notify both parties in writing of the determination by the hearing board by sending a second Letter of Determination to them.

 Appeals

a. Appeals Following an Investigation

In cases where the responding party(-ies) accepted the findings of discrimination or harassment after the investigation, those findings cannot be appealed. Although the findings cannot be appealed, the sanctions that have been imposed post-investigation can be appealed by any party according to the grounds below by contacting the Title IX Deputy within five (5) business days following receipt of the written Letter of Determination as previously defined.

b. Appeals Following a Hearing

After the hearing, either the reporting party(-ies) or responding party(-ies) may appeal the findings and/or sanctions only under the grounds described below. All sanctions imposed by the original hearing body will be in effect during the appeal. A request may be submitted to the Title IX Deputy for special consideration in exigent circumstances, but the presumptive stance of the institution is that the sanctions will stand. In the event that the reporting party or responding party rejects the findings in part or in their entirety, he/she may seek an appeal by contacting the Title IX Deputy within five (5) business days following receipt of the written Letter of Determination.
**Appeal Procedures**

Any party who files an appeal must do so in writing to the Title IX Deputy. Acceptable means of notification include email, facsimile, hand delivered notification, or postal delivery. The Title IX Deputy will share the appeal with the Title IX team, who will accept or deny the appeal based on the evidence provided (see criteria below).

If the appeal is accepted, it will be shared with other concerned parties. The original finding and sanction will stand if the appeal is not timely or substantively eligible, and the decision is final.

Because the original finding and sanction are presumed to have been decided reasonably and appropriately, the party requesting an appeal must show error. The ONLY grounds for appeal are as follows:

1. A procedural or substantive error occurred that significantly impacted the outcome of the hearing (e.g. substantiated bias, material deviation from established procedures, etc.).

2. New evidence has been found which was unavailable during the original hearing or investigation that could substantially impact the original finding or sanction. A summary of this new evidence and its potential impact must be included.

3. The sanctions imposed are substantially disproportionate to the severity of the violation.

If the Title IX team determines that a material procedural or substantive error occurred, the Deputy may return the grievance to the Investigation and Hearing Board with instructions to reconvene to correct the error. In rare cases, where the procedural or substantive error cannot be corrected by the Investigation and Hearing Board (as in cases of bias), the Title IX Deputy may, upon advice from the Title IX team, order a new investigation and/or hearing on the complaint with new members from the Investigation and Hearing Board. The results of a reconvened hearing cannot be appealed. The results of a new hearing can be appealed, once, on the three applicable grounds for appeals.

If the Title IX team determines that new evidence should be considered, he or she will return the grievance to the Investigation and Hearing Board to reconsider only the new evidence. The reconsideration of the Investigation and Hearing Board is not appealable.

If the Title IX team determines that the sanctions imposed appear to be disproportionate to the severity of the violation, the Title IX Deputy will refer the complaint to a board composed of three (3) cabinet officers, which may then increase, decrease or otherwise modify the sanctions. This decision is final.

The appeal procedure and determination will typically be completed within 20 business days.

The procedures governing the hearing of appeals include the following:
Sanctions imposed are implemented immediately unless the party determining the sanction stays their implementation in extraordinary circumstances, pending the outcome of the appeal.

All parties should be informed in a timely manner of the status of requests for appeal, the status of the appeal consideration, and the results of the appeal decision;

The appeal will be returned to the original hearing body unless bias has been determined;

Appeals are not intended to be full re-hearings of the complaint, with the exception of substantiated cases of bias. In most cases, appeals are confined to a review of the written documentation or record of the original hearing, and pertinent documentation regarding the grounds for appeal;

The Chair of the Investigation and Hearing Board will render a written decision on the appeal to all parties within seven (7) business days, or as soon as possible thereafter from hearing of the appeal.

COMPLAINT AND GRIEVANCE PROCESS PROVISIONS

Time Periods
All effort will be made to make a determination in no more than 60 calendar days of filing a formal complaint/grievance.

For purposes of calculating all time periods set forth in this Complaint and Grievance Policy, a business day is defined to mean normal operating hours, Monday through Friday, excluding recognized national and state holidays and NWACC closings.

Timelines may be modified in cases where information is not clear, judged to be incomplete, relevant parties are not available for interview, and/or other related circumstances as may arise. In the event that this step is necessary, the Title IX Compliance Officer or his or her respective deputies will notify the reporting party who filed the grievance in writing within the set timeline.

No Retaliation
Retaliation against any person who files a complaint of discrimination, participates in an investigation, or opposes a discriminatory employment or educational practice or policy is prohibited by NWACC policy and federal and state law. A person who believes retaliation has occurred should notify the Title IX Compliance Officer as soon as possible.

False Reports
NWACC will not tolerate intentional false reporting of incidents. It is a violation of the Codes of Conduct governing NWACC to make an intentionally false report of any policy violation, and it may also violate state criminal statutes and civil defamation laws.
Office of Civil Rights Complaint
Although reporting parties are encouraged to attempt to resolve complaints pertaining to discrimination by utilizing this Grievance Procedure, they have the right to file a complaint directly with the U.S. Department of Education, Office for Civil Rights (OCR) (Dallas regional office). Information regarding applicable timelines and procedures is available from OCR.

Notice That Cases Will Not Be Re-Heard
Absent new evidence, NWACC will not re-hear a complaint if the same complaint allegations have been filed by the reporting party against the same responding party with another civil rights enforcement agency of the federal, state or local government or through NWACC’s internal complaint procedures, including due process proceedings.

Effective Date
Any changes to this Complaint and Grievance Policy will be effective upon formal adoption. NWACC reserves the right to make changes and amendments to this policy and procedure as needed, with appropriate notice to the community.
