Parking Policy & Procedures

Policy
In accordance with A.C.A. 25-17-307 and the Board of Trustees, NWACC has the authority to establish rules and regulations for the registration, operation, and parking of all vehicles including fines and penalties. The established rules and regulations are binding on all employees, students and all others utilizing any and all lands owned or controlled by NWACC. The established rules, regulations, and procedures for enforcement are published annually for review.

Regulations and Procedures
A. NorthWest Arkansas Community College (NWACC) strives to provide adequate parking for students, employees, and visitors. Automobiles, trucks, motorcycles and motor scooters are considered motor vehicles and their operators are required to comply with all college parking and traffic regulations as well as state and municipal laws while on campus. Failure to comply may result in the issuance of a citation, immobilization and/or towing of the vehicle. Individuals receiving citations may file an appeal to the Chairperson of the Judicial Committee.

1. Students – Students must pick up a parking hangtag or decal which will be valid for an academic year. Hangtag distribution locations will be announced prior to the beginning of each semester. The hangtag or decal must be displayed on any vehicle parked on the campus. Loss of hangtags must be verified by the Department of Public Safety and will be replaced for a fee.

2. Employees – Employees must complete an on-line application for a parking hangtag or decal prior to the beginning of each academic year to authorize payroll deduction for the hangtag. Forms are located on the college website. Those desiring to pay cash for the hangtag may do so at the Cashier’s Office. The hangtag or decal is issued to the individual and must be displayed on any vehicle parked on campus. Full-time employees also have the option of purchasing a reserved parking space in the parking garage or surface area. Loss of hangtags must be verified by the Department of Public Safety and be replaced for a fee. Replacement hangtags must be paid for at the Cashier’s Office and picked up at the Department of Public Safety.

3. Non-NWACC Students – Non-NWACC Students will be assessed a $10 parking hangtag fee which will be valid for an academic year. Hangtags may be picked up at the Department of Public Safety. The hangtag or decal must be displayed on any vehicle parked on the campus. Loss of hangtags must be verified by the Department of Public Safety and will be replaced for a fee.

B. Parking Areas
Some areas and spaces are posted to indicate restricted parking as marked. All vehicles parked in restricted areas and spaces must conform to the posted restrictions or obtain special permission from the Department of Public Safety (DPS) for any exception. Restricted parking areas and reserved and numbered spaces are enforced at all times.

1. Student - Student parking is available in designated student parking areas at each NWACC facility, and all levels of the parking garage other than those spaces designated as handicapped, reserved/numbered, visitor, or service vehicle.

2. Employees
Employees parking areas will be designated on the surface parking lots for each NWACC facility. Employees reserved parking will also be designated in surface parking areas and the parking garage. Employees may park in the surface student parking areas when their parking areas are full. On the rare occasion that all spaces in the surface parking areas are full, employees may park in the overflow parking lots or as a last resort the parking garage; however, the Department of Public Safety must be notified immediately if an employee parks in the garage.

3. Visitors
Visitors may park in any designated visitor parking area or any student parking area. Limited time parking for visitors will be in the circle drive in front of Burns Hall. Visitors may obtain a visitor’s hangtag, at no cost, at the Department of Public
Safety office. Event planners may secure temporary parking permits for non-employee or student groups and mail those permits to participants prior to the event. Currently enrolled students or employees are NOT considered visitors.

4. **Service/Vendor Vehicles**
Vendor or service vehicles will have a designated parking area.

5. **Disability Accessible Parking**
Disability accessible parking will be located in the most convenient building access areas and the parking garage. State issued handicapped placards or tags as well as NWACC-issued hangtags are required and both must be visible.

6. **Motorcycle Parking**
Motorcycle and/or scooters will park in designated areas only and require a NWACC issued decal.

7. **LEV and Car Pool Parking**
Designated areas for Low Emission Vehicles (LEV) and Car Pool vehicles are located at the Center for Health Professions. Those desiring to park in either of these areas must obtain a special parking hangtag at the cost of $5 per fiscal year from the Department of Public Safety. LEV drivers must register their vehicles as such and show documentation to verify their vehicle meets the LEV standards. Go to [http://www.greenercars.org](http://www.greenercars.org) for questions regarding LEV standards. Those desiring to Car Pool must also register their vehicle as a designated car pool vehicle and must have a minimum of two passengers to qualify as a car pool vehicle. The special hangtag also allows either of these vehicles to park in the general parking areas designated for Faculty/Staff if no LEV or Car Pool space is available. If a student’s vehicle is registered as a LEV or Car Pool, they will be permitted to park in regular student parking areas if no LEV or Car Pool space is available.

C. **Campus Parking and Traffic Regulations**
The speed limit on campus is 10 mph. Parking and traffic laws and regulations are enforced by Department of Public Safety officers at all times. These rules and regulations are designed to provide orderly parking for students, employees and visitors, to ensure emergency access to campus facilities, and provide a safe environment for all.

D. **Citations**
Failure to comply with campus parking and traffic regulations may result in the issuance of a citation. Each citation, except an “unauthorized parking in disability accessible space” citation, has a corresponding fine from $25 to $50. Subsequent violations by the same individual may result in an amount double the initial fine. All fines must be paid or an appeal filed within ten (10) business days of issuance. F. Citation Appeal Process

Anyone receiving tickets/citations issued by NWACC’s Department of Public Safety has the right to appeal if they feel the citation is unjustified. Citation appeals are administered under the auspices of NWACC’s Parking Committee. The appeal process must be initiated within ten (10) working days of the date of the ticket issue. To initiate the process, an online appeal form must be completed. The appeal form is located on NWACC’s website on the Department of Public Safety page.

The Chair of the Parking Committee will give notice of the date, time, and location that the Parking Committee will meet. The committee will meet within twelve (12) working days of the receipt of the appeal. The person appealing will be given the opportunity to appear in person at the meeting to state their case, but a personal appearance is not mandatory. After the determination is made, the Chair of the Parking Committee will notify the person appealing of the outcome.

If payment is due, it must be made within ten (10) working days of the appeal notice outcome. If the fine is not paid on time a hold will be placed on the person’s account and they will be unable to get grades, transcripts, have their records sent to another college/graduate school or purchase a future hangtag until payment is received.

Anyone may choose to appeal the determination made by the administrative review of the Parking Committee. They may file an appeal with the Bentonville District Court. Court costs or additional fines may be incurred. A written request must be made to the District Court asking for the matter to be set for trial within thirty (30) days of receiving the citation.
