APPLICATION INSTRUCTIONS

1. APPLICATION DEADLINE

The application for the Evening/Weekend Nursing Program via Track III Spring 2015 admission must be hand-delivered (preferably) to the NWACC Nursing Office CHP 2003, or mailed to:

NWACC, Department of Nursing-11425  
One College Drive  
Bentonville, AR 72712

**The deadline is 4:00pm, November 10, 2014. After November 10, 2014, applications will no longer be accepted.**

Late applications will NOT be considered! If you choose to mail the application it must be received in our office by 4PM, November 10, 2014.

2. SELECTION PROCESS

Applicants who meet the minimum criteria and complete the testing and application process will accrue points and be placed in ranked order. Selection for admission will be made in descending order until the track is filled.

Applicants must have an overall minimum GPA of 2.5. Grades earned in the required general education courses are used in the selection scoring system. General Education courses not yet taken will accumulate zero points. General education courses that are taken at NWACC will receive an additional 1 point for each course with a maximum of 10 additional points. Students have found it is quite advantageous to complete all or most of the general education prerequisite courses prior to entry into the NWACC Nursing Program.

Grades of “A” will accrue more points than lower grades of “B” and “C”. The scoring system will be adjusted to accommodate for CLEP courses and the CISQ Challenge Exam. Due to a curriculum change, the CISQ Challenge or Intro to Computer Information will only be accepted if completed by the end of the Spring 2010 semester.

TEAS V Scores – The reading, math and overall comprehensive scores of the TEAS test will be used in the selection scoring process. For example, if you have a comprehensive score of 84 that will translate to 8.4 points, a math score of 88 that will translate to 8.8 points and you have a reading score of 91 that will translate to 9.1, your total TEAS V score would be 26.3.

Preference Score - Track III is a NWACC Nursing Track that gives preference to students who are working full-time (32 hours a week), displaced workers, or veterans. You may accrue a maximum of 3 preference points (1 point for each category). You must provide documentation with your application to show that you meet this criterion. Documentation may be a letter on company letterhead documenting details on how you meet the above preference category.

CNA and PCA+ Preference Scores – One point will be given to students that have taken the NWACC CNA course and two points will be given to students that have taken the NWACC PCA+ course and received a grade of a “C” or better.

The sample score review sheet enclosed in this application packet will assist you in calculating your score based on your grades. **So that you may check for accuracy, the Nursing Department will mail you a completed score review sheet. It is your responsibility to notify the NWACC Nursing Department if you do not receive the score review sheet by November 28, 2014.**

DO NOT CALL THE NURSING OFFICE REGARDING ADMISSION SELECTION.
3. TRACK III EVENING/WEEKEND NURSING

Track III Evening/Weekend Nursing begins **January 12 2015** with graduation slated for May 2016.

Students selected for the Evening/Weekend Nursing Program will be notified of the decision by December 23, 2014 via telephone and will begin class on **January 12 2015**. Students will be sent an admissions packet via email containing activities to be completed prior to classes beginning in January.

   - Anatomy & Physiology I
   - Anatomy & Physiology II

   (Anatomy & Physiology credits must be no older than 5 years. If older than 5 years, applicant must retake the course or take the HAPS test at the Testing Center by December 15, 2014.)

Arkansas law requires an applicant for licensure by examination (NCLEX-RN) to submit to a criminal background check. If an applicant has pleaded guilty or nolo contendere to any offense listed in ACA §17-87-312, he/she is not eligible for Arkansas licensure. (ACA §17-87-312 provides opportunity to request a waiver of eligibility criteria related to a criminal background in certain circumstances). Also, be advised that if offenses are reported on your background check, you might be prevented from completing the clinical portion of nursing courses. Failure to fulfill clinical objectives could result in failure of the course(s), dismissal from the program, and/or ineligibility to take the NCLEX-RN.

Is there anything in your background that might cause you to be ineligible for Arkansas licensure, such as a conviction of a crime (including expunged cases) or suspension/revocation of a license or certification? Refer to ASBN info in Section #12 of the application instructions.

If yes, please explain (you may use additional paper if needed):
